Which Fees Apply to Me?

CAPPED FEES

Capped fees apply to secondary school students who are born on or after 1st July 2000 and are at least 15 years of age. Students cannot be part of a VET in Schools program.

CONCESSION FEES

Concession fees apply to holders of a Health Care card, Pensioner Concession card or Repatriation Health Benefits card, persons and dependants of persons in receipt of Youth Allowance, AUSTUDY or ABSTUDY.

NON-CONCESSION FEES

If you fall under the eligibility criteria for funding but are not a secondary school student and do not have a concession card, then non-concession fees apply.

Flexible Payment Options

We have flexible payment options available for students who are unable to pay the full lump sum of their course upfront. Course fees can be spread over the duration of the study period and payments can be made in regular instalments.

Course Fee Waiver

In instances of severe financial hardship, the cost of the course may be considered for fee waiver. However, students will need to provide evidence of severe financial hardship which may include a letter from Centrelink showing proof of income, Concession Cards, Income Support Payment details and copies of utilities bills. You will also need to complete a Financial Hardship Application Form, outlining weekly household costs.
